The Board of County Commissioners on behalf of **Project Gateway** invites interested financial institutions to respond.

This RFP intends to enter a lending relationship with the successful Respondent to begin upon approval of the Development Commission, the Board of County Commissioners and the issuance of a Notice to Proceed (NTP) for the Work.

Financial Institutions interested in preparing a proposal for this RFP must complete the requirements outlined in this RFP, its attached documents, and documents incorporated by reference (collectively referred to as the "RFP"). If this RFP is amended, the County will issue an appropriate addendum to the RFP. If an addendum is issued, all terms and conditions of this RFP that are not specifically modified in the addendum shall remain unchanged. An addendum to this RFP will be issued if any of the dates and/or times change unless the date(s) falls after the date the RFP Proposal(s) are due. Overview

- 4.1 The County, and **Project Gateway** have established certain mandatory requirements that must be included as part of any Proposal. The use of the terms “shall,” “must,” or “will” (except to indicate simple futurity) in this RFP indicates a mandatory requirement or condition. The words “should” or “may” in this RFP indicate desirable attributes or conditions but are permissive. Deviation from, or omission of, such a desirable feature will not by itself cause rejection of a Proposal.
- 4.2 Proposals not meeting all material requirements of this request, or which fail to provide all required information, documents, or materials such as to request forms, bonds, etc., will be rejected as non-responsive. Material requirements of the proposal are those set forth as mandatory, or without which an adequate analysis and comparison of replies are impossible, or those which affect the competitiveness of replies or the cost to the County and **Project Gateway**. A Respondent whose Proposal, past performance, or current status that does not reflect the capability, integrity, or reliability to perform fully and in good faith the requirements of the Contract may be rejected as non-responsive.
- 4.3 The County, the Development Commission and **Project Gateway** reserve the right to determine which Proposals meet the material requirements of the RFP and which Proposals are responsible and/or responsive. Further, the County, the Development Commission or **Project Gateway** may reject all Proposals and seek new Proposals when it is in the best interest of such parties to do so.
- 4.4 A Proposal submitted by a corporation shall be executed in the corporate name by the president or a vice-president or other corporate officer accompanied by evidence of authority to sign. - 4.15 Proposals should be typed. No changes in or corrections to Proposals will be allowed after the Proposals are opened.
- 4.16 The signer of the Proposal must declare that the Proposal in all respects is fair and in good faith without collusion or fraud and that the signer of the Proposal has the authority to bind the principal Respondent.

PROPOSAL TRANSMITTAL FORM ON THE FIRM LETTERHEAD (APPENDIX A)

All signatures must be by an individual with authority to legally bind the Respondent, witnessed, and corporate and/or notary seal (as applicable.) If the individual signing the Proposal Transmittal Form does not have apparent authority to legally bind the Respondent, attach documentation demonstrating such authority. The corporate or mailing address must match the company information as it is listed on the Florida Department of State Division of Corporations. Attach a copy of the webpage(s) from <http://www.sunbiz.org> as certification of this required information. Verify that all addenda and tax identification numbers have been provided.

SECTION 5.0 - PROPOSAL OPENING

- 5.1 All Proposals will be opened on the date and time indicated in **Section 1.0, Schedule of Events** (i.e., date Proposals are due) or as modified by addendum.

SECTION 6.0 - EVALUATION OF PROPOSALS AND SELECTION PROCESS

- 6.1 Respondents who satisfy the required qualifications and are deemed responsible Respondents and who timely submit a responsive proposal will be considered by the County. Proposals received from prospective Respondents who have been suspended or debarred will not be accepted or considered.
- 6.2 As provided in the Procurement policy of the County as recorded in the code of ordinances, the county may consider the following factors in addition to price when determining whether a Respondent is responsive and responsible:
- a. Ability, capacity, and skill of the Respondent to perform the contract.
 - b. Whether the respondent can perform the contract within the time specified, without delay, interference, or conflict with the current workload.
 - c. Character, integrity, reputation, judgment, experience, and efficiency of the Respondent.
 - d. Quality of performance of previous contracts.
 - e. Previous and existing compliance by the vendor with laws and regulations relating to the contract.
 - f. Sufficiency of the financial resources and ability of the vendor to perform the contract or provide the Work.
 - g. Quality, availability, and adaptability of the supplies or contractual services to the particular use required.
 - h. The ability of the Respondent to provide further maintenance and service for the use of the subject of the contract, if applicable.

- i. Number and scope of conditions attached to the proposal or quote.
 - j. Qualifications of personnel, licensing, and corporate qualifications.
 - k. Evidence of improper litigation.
 - l. Use of one or more subcontractors with a record of poor performance.
- 6.3 For this section, the county may consider evidence from the five years preceding the subject proposal.
- 6.4 In the event the lowest, responsive, responsible proposal for a construction project exceeds the architectural or engineering cost estimates, the county administrator or designee is authorized, when time or economic considerations preclude a procurement may get reissued for a reduced scope, to negotiate an adjustment of the scope of work with the lowest, responsive, responsible respondent, to bring the proposal within the number of available funds. After award of this Proposal, the County reserves the right to add or delete items/services at prices to be negotiated at the time of addition or deletion. At Contract renewal time(s) or in the event of significant industry-wide market changes, the County may negotiate justified adjustments such as price, terms, etc., if, in its sole judgment, the County considers such adjustments to be in its best interest.
- 6.5 The County reserves the right to reject any or all Proposals, including without limitation, nonconforming, nonresponsive, unbalanced, or conditional Proposals. The County further reserves the right to reject the proposal of any Respondent whom it finds, after reasonable inquiry and evaluation, to be non-responsible. The County also reserves the right to waive all informalities not involving price, time, or changes in the Work and to negotiate contract terms with the Successful Respondent.
- 6.6 More than one Proposal for the same Work from an individual or entity under the same or different names will not be considered. Reasonable grounds for believing that any Respondent has an interest in more than one Proposal for the Work may be cause for disqualification of that Respondent and the rejection of all Proposals in which that Respondent has an interest.
- 6.7 In evaluating Proposals, the County will consider whether or not the Proposals comply with the prescribed requirements, and such alternates, unit prices, and other data, as may be requested in the Proposal Form or prior to the Notice of Award.
- 6.8 In evaluating Respondents, the County will consider the qualifications of Respondents and may consider the qualifications and experience of Subcontractors, Suppliers, and other individuals or entities proposed for those portions of the Work for which the identity of Subcontractors, Suppliers, and other individuals or entities must be submitted as provided in the Supplementary Conditions.
- 6.9 The County may conduct such investigations as the County deems necessary to establish the responsibility, qualifications, and financial ability of Respondents, proposed

Subcontractors, Suppliers, individuals, or entities to perform the Work in accordance with the Contract Documents. Any Respondent or sub-contractor that will have access to County facilities or property may be required to be screened to a level that may include but is not limited to fingerprinting and a statewide criminal background check. There may be fees associated with these procedures. These costs are the responsibility of the Respondent or sub-contractor.

- 6.10 If the Contract is to be awarded, the County will award the Contract to the responsible Respondent whose Proposal, conforming with all the material terms and conditions of the Instructions to Respondents, is lowest, price, and other factors considered. If detailed in the proposal form, factors such as discounts, transportation costs, and life cycle costs may be used to determine which respondent, if any, is to offer the award.
- 6.11 Responses to this RFP not meeting the requirements specified herein will be considered non-responsive or not responsible, as applicable. In the best interest of the County, the Board of County Commissioners reserves the right to reject all responses or waive any minor irregularity or technicality in responses received. Respondents are cautioned to make no assumptions unless their response has been deemed responsive.
- 6.12 Whenever two or more Proposals, which are equal with respect to price, quality, and service, are received for procurement of commodities or contractual services, from responsive and responsible Respondents the following steps will be taken to establish the award to the lowest Respondent. This method shall be used for all ties.

Step 1: Local Businesses:

Between a Local Business and a Non-Local Business, a Contract award, or the first opportunity to negotiate, as applicable, shall be made to the Local Business.

Step 2 Drug-Free Workplace:

After step 1 if all is equal, the Respondent with a Drug-Free Workplace program shall be given preference, over a Respondent with no Drug-Free Workplace program. The contract award, or the first opportunity to negotiate, as applicable, shall be made to the Respondent with the Drug-Free Workplace program. To have a drug-free workplace program, a business shall comply with the requirements of § 287.087, F.S.

Step 3 Coin Flip:

After Step 1, and Step 2 if all is equal, the Contract award, or the first opportunity to negotiate, as applicable, shall be determined by the flip of a coin to determine the outcome.

When the tie has been broken pursuant to the above procedures, the Contract award, or the first opportunity to negotiate, as applicable, shall be made.

If an award or negotiation is unsuccessful with the initial Respondent, award or negotiations may commence with the next highest Respondent, utilizing the tiebreaker steps above to make the determination of the next lowest Respondent if necessary.

When the County gives a Notice of Award to the Successful Respondent, it shall be accompanied by the required number of unsigned counterparts of the Contract with the other Contract Documents which are identified in the Contract as attached thereto. Within two (2) days thereafter, Successful Respondent shall sign and deliver the required number of counterparts of the Contract and attached documents to the County. The County shall deliver one fully signed counterpart to Successful Respondent with a complete set of the Drawings with appropriate identification.

SECTION 7.0 - INTENT TO AWARD AND CONTRACT EXECUTION

- 7.1 The County reserves the right to incorporate the successful Proposal into the Contract. Failure of a Respondent to accept this obligation may result in the cancellation of the award. The Contract document and its exhibits are included as Appendix D, which is attached hereto and incorporated herein by reference.
- 7.2 The construction, interpretation, and performance of this RFP and all transactions under it shall be governed by the laws of the State of Florida and the County. The Contract shall include all terms and conditions of this RFP, any addenda, response, and the County's contract issued as a result of this RFP.
- 7.3 The County reserves the right to make award(s) by individual item, group of items, all or none, or a combination thereof. The County, the Development Commission and **Project Gateway** reserve the right to reject any and all proposals and waive any minor irregularity or technicality in the proposals received. Award will be made to the lowest responsible and responsive respondent(s) within the category chosen for the basis of the award. The County, the Development Commission and **Project Gateway** reserve the right to award to one or multiple Respondents at its discretion.
- 7.4 The Successful Respondent will be required to assume responsibility for all services offered in the Proposal. The County and **Project Gateway** will consider the Successful Respondent to be the sole point of contact with regard to contractual matters, including payment on any or all charges.
- 7.5 After the successful posting of the award for 72 hours, the Successful Respondent will be required to enter into the contract with **Project Gateway**, the County and the Development Commission.

8.2 Florida Public Records Law and Confidentiality

By submitting a Proposal in response to this RFP, a Respondent acknowledges that the County is a governmental entity subject to the Florida Public Records Law (Chapter 119, Florida Statutes). The Respondent further acknowledges that any materials or documents provided to the County may be “public records” and, as such, may be subject to disclosure to, and copying by, the public unless otherwise specifically exempt by Law.

Should the Respondent provide the County with any materials which it believes, in good faith, contain information that would be exempt from disclosure or copying under Florida Law; the Respondent shall indicate that belief by typing or printing, in bold letters, the phrase “PROPRIETARY INFORMATION” on the face of each affected page of such

materials. The Respondent shall submit to the County both a complete copy of such material and a redacted copy in which the exempt information on each affected page, and only such exempt information, has been rendered unreadable. In the event a respondent fails to submit both copies of such material, the copy submitted will be deemed a public record subject to disclosure and copying regardless of any annotations to the contrary on the face of such document or any page(s) thereof.

Should any person request to examine or copy any material so designated and provided the affected Respondent has otherwise fully complied with this provision, the County, in reliance on the representations of the Respondent, will produce for that person only the redacted version of the affected materials? If the person requests to examine or copy the complete version of the affected material, the County shall notify the Respondent of that request, and the Respondent shall reply to such notification, in writing that must be received by the County no later than 4:00 p.m., EST, of the County business day following Respondent's receipt of such notification, either permitting or refusing to permit such disclosure or copying.

Failure to provide a timely written reply shall be deemed consent to disclosure and copying of the complete copy of such material. If the Respondent refuses to permit disclosure or copying, the Respondent agrees to, and shall, hold harmless and indemnify the County for all expenses, costs, damages, and penalties of any kind whatsoever which may be incurred by the County, or assessed or awarded against the County, in regard to the County's refusal to permit disclosure or copying of such material. If litigation is filed in relation to such request and the Respondent is not initially named as a party, the Respondent shall promptly seek to intervene as a defendant in such litigation to defend its claim regarding the confidentiality of such material. This provision shall take precedence over any provisions or conditions of any Proposal submitted by a Respondent in response to this RFP and shall constitute the County's sole obligation concerning maintaining the confidentiality of any document, material, or information submitted to the County.

8.3 Procurement Challenges

Any Respondent who desires to formally protest shall follow the procedures outlined in the Holmes County Code of Ordinances, Chapter 2 – Administration, Article 6 – Purchasing Section 2.115(f) – Competitive Procurements, which is incorporated by reference.

In the event of an inconsistency, the Order of Precedence shall be followed:

- a. Laws of Florida and Contract
- b. RFP and all of its addendums and attachments
- c. Successful firm's Proposal

Venue for all actions arising under this RFP and subsequent Contract shall lie in Holmes County, Florida, United States.

8.5 Contract

The Successful Respondent will be required to enter into the contract with the County and will be required to perform the Work in accordance with the Contract terms and conditions. The County is under no obligation to modify the proposed Contract to conform to the Successful Respondent's Contract exceptions. Contingent Proposals will not be accepted. If acceptance of the Contract Award is contingent on an exception and modification to the Contract, the Respondent must provide this information to the County at the time of submission of technical questions, as outlined in the Schedule of Events in order to obtain a determination from the County regarding the proposed exception. If a Respondent's exception and modification are rejected by the County during the technical question portion of the Proposal process and the Respondent later submits a Proposal, Respondent shall be deemed to have accepted this Contract provision.
