RE-BID RFP 2022-05 COURTHOUSE GENERATOR

- 6.2 As provided in the Holmes County Procurement policy as recorded in the code of ordinances, the county may consider the following factors in addition to price when determining whether a Respondent is responsive and responsible:
- a. Ability, capacity, and skill of the Respondent to perform the contract.
 - b. Whether the respondent can perform the contract within the time specified, without delay, interference, or conflict with the current workload.
 - c. Character, integrity, reputation, judgment, experience, and efficiency of the Respondent.
 - d. Quality of performance of previous contracts.
 - e. Previous and existing compliance by the vendor with laws and regulations relating to the contract.

After award of this Proposal, the County reserves the right to add or delete items/services at prices to be negotiated at the time of addition or deletion. At Contract renewal time(s) or in the event of significant industry-wide market changes, the County may negotiate justified adjustments such as price, terms, etc., if, in its sole judgment, the County considers such adjustments to be in its best interest.
- 6.5 The County reserves the right to reject any or all Proposals, including without limitation, nonconforming, nonresponsive, unbalanced, or conditional Proposals. The County further reserves the right to reject the proposal of any Respondent whom it finds, after reasonable inquiry and evaluation, to be non-responsible. The County also reserves the right to waive all informalities not involving price, time, or changes in the Work and to negotiate contract terms with the Successful Respondent.

RE-BID RFP 2022-05 COURTHOUSE GENERATOR

- 6.6 More than one Proposal for the same Work from an individual or entity under the same or different names will not be considered. Reasonable grounds for believing that any Respondent has an interest in more than one Proposal for the Work may be cause for disqualification of that Respondent and the rejection of all Proposals in which that Respondent has an interest.
- 6.7 In evaluating Proposals, the County will consider whether or not the Proposals comply with the prescribed requirements, and such alternates, unit prices, and other data, as may be requested in the Proposal Form or prior to the Notice of Award.
- 6.8 In evaluating Respondents, the County will consider the qualifications of Respondents and may consider the qualifications and experience of Subcontractors, Suppliers, and other individuals or entities proposed for those portions of the Work for which the identity of Subcontractors, Suppliers, and other individuals or entities must be submitted as provided in the Supplementary Conditions.
- 6.9 The County may conduct such investigations as the County deems necessary to establish the responsibility, qualifications, and financial ability of Respondents, proposed Subcontractors, Suppliers, individuals, or entities to perform the Work in accordance with the Contract Documents. Any Respondent or sub-contractor that will have access to County facilities or property may be required to be screened to a level that may include but is not limited to fingerprinting and a statewide criminal background check. There may be fees associated with these procedures. These costs are the responsibility of the Respondent or sub-contractor.
- 6.10 If the Contract is to be awarded, the County will award the Contract to the responsible Respondent whose Proposal, conforming with all the material terms and conditions of the Instructions to Respondents, is lowest, price, and other factors considered. If detailed in the proposal form, factors such as discounts, transportation costs, and life cycle costs may be used to determine which respondent, if any, is to offer the award.
- 6.11 Responses to this RFP not meeting the requirements specified herein will be considered non-responsive or not responsible, as applicable. In the best interest of the County, the Holmes Board of County Commissioners reserves the right to reject all responses or waive any minor irregularity or technicality in responses received. Respondents are cautioned to make no assumptions unless their response has been deemed responsive.
- 6.12 Whenever two or more Proposals, which are equal with respect to price, quality, and service, are received for procurement of commodities or contractual services, from responsive and responsible Respondents the following steps will be taken to establish the award to the lowest Respondent. This method shall be used for all ties.

RE-BID RFP 2022-05 COURTHOUSE GENERATOR

Step 1: Local Businesses:

Between a Local Business and a Non-Local Business, a Contract award, or the first opportunity to negotiate, as applicable, shall be made to the Local Business.

Step 2 Drug-Free Workplace:

After step 1 if all is equal, the Respondent with a Drug-Free Workplace program shall be given preference, over a Respondent with no Drug-Free Workplace program. The contract award, or the first opportunity to negotiate, as applicable, shall be made to the Respondent with the Drug-Free Workplace program. To have a drug-free workplace program, a business shall comply with the requirements of § 287.087, F.S.

Step 3 Coin Flip:

After Step 1, and Step 2 if all is equal, the Contract award, or the first opportunity to negotiate, as applicable, shall be determined by the flip of a coin to determine the outcome.

When the tie has been broken pursuant to the above procedures, the Contract award, or the first opportunity to negotiate, as applicable, shall be made.

If an award or negotiation is unsuccessful with the initial Respondent, award or negotiations may commence with the next highest Respondent, utilizing the tiebreaker steps above to make the determination of the next lowest Respondent if necessary.

When the County gives a Notice of Award to the Successful Respondent, it shall be accompanied by the required number of unsigned counterparts of the Contract with the other Contract Documents which are identified in the Contract as attached thereto. Within two (2) days thereafter, Successful Respondent shall sign and deliver the required number of counterparts of the Contract and attached documents to the County. - 7.4 The Successful Respondent will be required to assume responsibility for all services offered in the Proposal. The County will consider the Successful Respondent to be the sole point of contact with regard to contractual matters, including payment on any or all charges.
